#### CLARIFICATION TEXT

This application form is drawn up to determine your relationship with our Company in order to process your application, respond to the requests in your application, determine your personal data as a data subject and be able to respond to your relevant application accurately and within the legal period to evaluate and conclude your application. Our Company reserves the right to request additional information and documents for the determination of identity and authorization within the scope of the application and the evaluation of the application. It is required that the information and documents about your requests relayed within the scope of your application are relayed by an authorized person and are accurate and up to date. In case of an unauthorized application or that, it is determined that the information and documents are not accurate or up to date, our Company shall not be liable and in such case, our Company reserves the right to decline the application. The information and documents specified in this form and relayed to us shall be processed by our Company in a limited capacity to evaluate, respond, and concluding the application made according to article 13 of the Law. Information received within the scope of the form and the application may be obtained in writing, verbally, and in electronic medium or physical medium. In line with the review conducted within this scope, the relevant information may be shared with the company and its subsidiaries and, for the conclusion of such application, with third persons and companies, from which services are received, such as a law firm. You may use your rights in Article 11 of the Law numbered 6698 by the procedures and under the conditions outlined in this form.
